CUPE 3433 NEWSLETTER

MOUNT ALLISON STAFF
ASSOCIATION

WINTER IS UPON US!

All CUPE members work under the protection of a contract called a collective agreement. Your local union bargains the terms of the agreement.

Elected local union leaders also work with the employer to resolve problems in the workplace.

If you have questions about your rights at work, the people to talk to are your local executive. They will know the specific details of your agreement.

We need YOU!

Vacancies include:

- Communications Officer
- Joint Health and Safety Committee
- Grievance Committee

Talk to your exec for more info, or check out the positions in the Bylaws at www.masa3433.ca
